

Please DO NOT let the new LPFM stations take priority over the current FM translator service. As a residence of the Lawton-Duncan area, 89.9 K-Love serves this area with wholesome values that can not be replaced with other stations. If it was replaced by an LPFM station, it would have negative effect because there are not other station in this area that have this positive and encouraging impact on our community. I believe that the programs and service provided by K-Love should take priority over the proposed expanded service of the LPFM. DO NOT allow these new LPFM stations to take priority over current FM service such as K-Love.
